

Back to School

School supply shopping has never been more rewarding

Students, parents and teachers are all preparing for another unique school year. Whether in the classroom or at home one thing we know for certain is that students need supplies to support their learning. With your help, we can give all students in our community the tools they need to succeed. Please donate new/unused items to make sure students have the opportunity to do their best.

Shop In-store/Plan a Drive

Bring this flyer with you when shopping! Hang it in your workplace or share with your neighbors, co-workers, family and friends. It takes hundreds of community donations to make the program a success.
