

TOTAL REWARDS FOR INTERNS 2023

InterfaithOutreach

IOCP TOTAL REWARDS

Interfaith Outreach & Community Partners (IOCP) believes that interns are key to advancing the vision and mission of the organization. Employee's and intern's skills and commitment are essential to the impact and effectiveness of our work. We provide a competitive total rewards package to attract and retain talent. We strive to be a place where people love to work.

Workplace Environment

IOCP is a great place to work. We are proud to be recognized as a 2023 Star Tribune Top Workplace in Minnesota - and the judges were our very own employees! We create and nurture a welcoming, caring and positive workplace culture and environment by embracing our values of collaboration, inclusion, and integrity. We expect all employees to consistently enact these values in their work and communication with others. We create and maintain meaningful work connections based on mutual trust and respect. We value employee input and have a culture that encourages feedback. We also have fun together in formal and informal ways, including celebrations of individual and team successes and participating in shared learning experiences. Most positions are hybrid with a combination of in-office and work-from-home settings. In addition, we have a "dress for your day" dress code and offer free coffee and snacks in the office for those working onsite.

Recognition and Appreciation

We celebrate each other and our work. IOCP makes it a practice to recognize and appreciate interns as part of a larger effort to create a culture of gratitude. Activities vary but have included delicious lunches, boat outings, escape rooms, Twins baseball games and an onsite barista. We've also held drawings to win paid time off and branded gear, such as pullovers, t-shirts and drinkware.

Professional Development

IOCP is a learning organization. We value the skills and experiences that interns bring when they join us but also embrace continued learning and education. We have a dedicated employee development budget for trainings such as conferences, webinars or coaching. Interfaith Outreach provides supervision support for employees seeking required professional licensure related to their role. Interns may also choose from a wide variety of internal learning opportunities and can also borrow books from our onsite library.
